RWM Expo and Conference

11 to 13 Sep 2012, Birmingham, United Kingdom

RWM in partnership with CIWM hosts the most comprehensive conference in the industry, completely free to attend. The sessions are succinct, strategic reports and discussions from major opinion leaders. Crucially, they are delivered in an objective and usable format, catering to seasoned experts as well as less experienced waste professionals.

INGEDE has offered two lectures, one about collection and one about recyclability.

Ifra Expo and Conference

29 to 31 Oct 2012, Frankfurt, Germany

Power of Print: Innovative and inspirational newspaper printing
Newspaper printing is a growth market in many regions of the world. Even in Western markets there are not only declining circulations to be found, but also numerous encouraging examples of successful and exciting print products. Case studies and the innovative technology enabling them will be presented at the World Publishing Expo (IFRA Expo & Conference) in Frankfurt.
